Attendance: Middletown Art Academy prides itself on offering a carefully designed art education curriculum & structured programs and lesson plans that include a schedule of instruction and work periods. These all work together to help students achieve creative productivity. We are not an open studio or a day care. If your child arrives late, leaves early or misses days, they will possibly miss out on finishing their project, or they may have trouble catching up to their peers. This can be distressing to most children. Please try to send your child to all the sessions they sign up for and minimize late arrivals and early departures. We appreciate it!

Insufficient Registration: We reserve the right to cancel a class, program or workshop session if there is insufficient enrollment. If this happens, we will return your tuition, and, if there are no other programs you are also registering for, we will return the registration fee as well.

Arrival/Departure Times: Please note the start and finish times of your child's program, class or workshop and "Art Flat". Early and late fees of \$1 per minute will be billed if students are present outside their enrolled time periods. We are not responsible for children dropped off at Middletown Art Academy outside of actual registered time. We appreciate prompted arrival & departure and to be fair and reasonable we offer 10 minutes before and 10 minutes after.

Behavior: We have a seriously creative approach to art; please attend with a focused attitude. Bullying or other disruptive behavior will not be tolerated at Middletown Art Academy. If your child cannot control their behavior, we will contact you and require you to pick up your child immediately. There is no refund or credit for a child asked to leave the program for behavioral reasons.

NSF Checks: A \$40 fee will be charged for any insufficient funds check. We regret to say that the \$40 charge will accrue for each time we submit or resubmit the check. Repayment must be in the form of a cashier's check, and include the original class fee amount plus the NSF fee(s).
